

BU NATIONAL CONFIDENTIAL CONSULTANT

Greetings in the strong name of our Lord Jesus Christ.

Let me take this opportunity to thank the Baptist Union of Southern Africa's leadership and the membership of the Union for the responsibly and opportunity granted to myself as the BU National Confidential Consultant. I have been in this position for almost three years.

This has been a challenging journey for me; however, I want to thank all the Union constituents for the support I received, especially from the Executive, and from the Rev Angelo Scheepers, the former general secretary, and the late Rev Rick Inglis. Also, thank you to all the churches who invited me to assist in the time of conflicts. I must confess that it was not easy but through the help of the Lord the burden was bearable.

Lastly, thank you to the Associational confidential consultants who gave me the freedom to serve in their areas.

This is my last report due to the fact the new structure, which has no National Confidential Consultant. Furthermore, I will be retiring from active ministry within Baptist Union of Southern Africa.

God bless you!!

Rev Geroge Ngamlana
